Nu Skin has been and will be a long-term client of your company regarding product registration in Poland. Nu Skin appreciates your expertise in the field of cosmetics and food supplements.

We like to work with you, because the service we get from you is always precise, up-to-date, flexible and fast. These are key factors in our process of launching new products in Poland.

We also appreciate the advise you are providing regarding the regulations in Poland, which is always considered in the reformulation of a product.

Thank you once again for all the great work you have done in the past and looking very much forward to working with you in the future as well.

Best regards,
